

Call of the AMERICAN DREAM

FULFILLING THE CALL OF NATIONAL PURPOSE

Call of the American Dream is a compassionate, persuasive reveille for Americans to join in a new “mission of great purpose without firing a single shot.” Through inspiration and a long process of growth and discovery, this great call to Americans breaks the dawn of a new age of “Americanism,” fulfilling a call of great national purpose. **Diane Benge Lenning’s** rich family history as descendents of George Washington’s father and “King” David Benge, families of Revolutionary War soldiers, depicts the legacy, heritage, and “heartbeat” of the settling of America to the present day rallying call of Compassionate Conservatism. **Call of the American Dream** portrays what Compassionate Conservatism means to all Americans today. **Every family hopes to leave a legacy in this world. Not just an ordinary legacy, but one of hope, goodness and prosperity. Our nation’s first president, George Washington, left a legacy for America that all American’s can be proud...and grateful. Words famous to all, yet taken for granted by many are the basis of the American dream.**
